CHRIS NADDER ASSUMES OPERATIONS ROLE AT GUMENICK PROPERTIES

HENRICO CO., VA. – Chris Nadder has been named Field Operations Manager at Gumenick Properties. In his new role, he will oversee tracking, reporting and troubleshooting for all the company’s construction projects. Nadder also will manage all warranty service work.

Nadder has been with Gumenick Properties for 11 years. He formerly was Warranty Service Manager. In 2004, he received the company’s VIP Award, which recognizes consistent excellent on-the-job performance.

“Chris Nadder has done an outstanding job for Gumenick Properties in the past. He’s widely admired in the company for his work ethic, interpersonal skills and organizational abilities. We’re pleased to extend his responsibilities and are confident that he’ll continue to perform at a high level,” said Shane Finnegan, Director of Construction/Development.

Based in Henrico, Gumenick Properties is an award-winning real estate development and management company with operations throughout the Southeast. Founded in the late 1940s, the company now engages in two primary lines of business – apartment community operations and homebuilding.

The company now owns and operates apartment communities in Florida and Virginia. In addition, the company currently is engaged actively in the creation of two new home communities, Grayson Hill and Monument Square, in Henrico County.
